Academic Audit Committee

Academic Year 2026-2027

Objective / Aim

The Academic Audit at St. Mother Theresa Engineering College aims to strengthen and enhance the quality of teaching-learning processes across all departments. The audit process supports continuous improvement by encouraging each department to periodically evaluate and refine its academic practices. The primary aim is to ensure a systematic review of the department's academic activities, promote accountability, and uphold the highest standards of student learning and discipline-related development.

Associated Activities / Functions

- Review and audit the learning outcomes of individual courses and the overall academic programs.
- Evaluate student learning progression through periodic assessments, innovative teaching practices, and end-semester examinations.
- Assess the quality and standards of final-year student projects and ensure alignment with academic and industry expectations.
- Provide recommendations for enhancing curriculum delivery, teaching methodologies, and academic support systems.
- Monitor compliance with institutional academic policies and promote best practices for continuous quality improvement.
