SMTEC/IQAC/IPR CELL/2026-27

Date: 01.08.2026

INTELLECTUAL PROPERTY RIGHTS (IPR) CELL

Academic Year 2026-2027

Main Objectives

The IPR Cell of St. Mother Theresa Engineering College ensures that the outcomes of research activities carried out by students, research scholars, and faculty members during their period of study/employment/engagement with the institution are disseminated through appropriate publication channels with due consideration to relevant intellectual property rights. All disclosures shall adhere to standard academic and institutional practices.

Activities

Organizing training programs on Intellectual Property Rights for faculty members and students.

Mentoring faculty and students for filing, publishing, and obtaining patents and other forms of intellectual property protection.

Circulating innovative ideas, documents, and video resources to students on a regular basis to promote creativity and innovation.
