Planning and Monitoring Committee

Academic Year 2026 – 2027

Objective / Aim

The Planning and Evaluation Committee is responsible for monitoring all academic and administrative activities of the institution and evaluating them to determine their impact, quality, and overall effectiveness. The committee plays a key role in ensuring continuous improvement and long-term institutional development.

Associated Activities / Functions

- **Review and oversee** the academic and related activities of the college to ensure smooth functioning.
- **Develop perspective plans** for the long-term growth and holistic development of the institution.
- **Initiate and implement** new schemes, strategies, and developmental initiatives for the progress of the college.
- **Promote teaching innovation**, research enhancement, and extension activities across all departments.
- **Sustain and improve** the quality of education, academic processes, and accreditation status of the college.
- **Plan and facilitate resource mobilization** through industry collaboration, consultancy services, and external funding opportunities.
